

# scholarships

Campus Living Villages are offering scholarships across most of its Villages in 2009! Scholarships will be of one year durations and types will include:

## academic scholarships

Rewarding academic excellence, applicants must meet specific grade pre-requisites to be eligible.

## sports scholarships

Residents who represent the university in a sporting capacity are eligible. Note that there are also academic pre-requisites that must be met and recipients are required to participate in Village sporting activities.

## equity scholarships

For residents looking for additional financial support during their studies. Evidence of financial hardship is required to apply for an Equity Scholarship.

## indigenous scholarships

Awarded to residents of Aboriginal or Torres Strait Islander descent.

**All scholarships are paid in the form of a rental subsidy and are between \$1,000 - \$1,500 in value.**

## the clv scholarship

The CLV Scholarship is different from the others above in that there will be just one available in Australia. Also, The CLV Scholarship will be of greater value (\$5,000) and is a cash prize instead of rental subsidy.

Further details on the eligibility criteria for all scholarship types may be found on the application form, which may be downloaded from here.

The scholarships available at each village for 2009 are listed below, including the amounts. Note that the amount and type of scholarships may vary year to year. All dollar amounts are in local currency.

**Please ensure that the scholarship you are applying for is available at your Village!  
Applications open 1 December 2008 and close 9 January 2009.**
